## They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

A very singular death occurred at Gardwell Friday, says the Clinton Democrat. A druggist who was a sufferer from consumption sent to town for a coffin catalogue and a discount sheet, and after selecting a 750-pound metallic case sent a telegram to the company to ship at once by express. The next morning he died a few hours before the case arrived. This is, indeed, a remarkable instance.

"Why don't you go to work?" said a charitable lady to a tramp, before whom she had placed a nicely cooked meal.

"I would," replied the vagrant, "if I had the tools."

"What sort of tools do you want?" asked the hostess.

"A knife and fork," said the tramp.

An attempt on the life of President Quintana, of the Argentine Republic, is reported from Buenos Ayres. The President's intended assailant was a laborer. He was overpowered and disarmed by one of the aides before he could shoot.

NOTICE.—Those who hitch by the month at my stable after July 1st, will be charged regular prices for hitching when they have more than one horse in my stable at the same time. J. R. Beasley, Prop.

## HUSTONVILLE.

T. J. Robinson will be glad to instruct any one how to get the full benefit of a bath at Olympian Springs. Don't fail to call on him.

Rev. S. B. Lander goes to the mountains of Eastern Kentucky this week for evangelistic work and will not return for two weeks. There will be no preaching at the Presbyterian church next Sunday.

The protracted meeting conducted by Rev. G. W. Mills at Green River church closed Wednesday night with 13 additions. These meetings were well attended and much interest manifested in the earnest work of Bro. Mills.

Talk about cutting and slashing, just come in and see what I am doing in Fall and Winter clothing. Get ready for the coming season by giving your order now. Remember these goods are made to your order and are guaranteed in every particular. A. J. Adams.

Quite a crowd from here will attend the Liberty fair on Wednesday, on account of the ball game between Hustonville and the best team that Casey can get together. Our team is somewhat disfigured by some of their best players not being at home and there is a strong probability of their being defeated.

Plans have been completed for the building of a modern up-to-date cottage of seven rooms on the lot adjoining the Wheeler Emporium on the West. This building will refill the burned block with the exception of the lot adjoining the Huns building, which is owned by V. B. Morse and a building will be put on it by Spring.

A rare treat was given the audience at the Presbyterian church last Sunday morning by that sweet voiced soprano, Miss Lelia Wheeler, who sang, "O Lord be Merciful," by Bartlett. Miss Melle Hopper, whose inimitable touch has thrilled the souls of thousands, presided at the organ and added much to the splendid rendition.

It gives me pleasure to speak favorably of the painstaking manner in which County Turnpike Supervisor A. C. Dunn is giving the work on the several pikes in the West End. The metal is not dumped indiscriminately now and frequently not scattered, but good judgment is displayed in locating and scattering it in a manner that will give the best results. A much needed half sole of gravel is being given the Cloyd pike. Ditching is badly needed in many localities and will be done at once, as the overflow easily carries off the newly placed metal. The work is being pushed with a full force of hands and teams when the weather will permit.

Miss Emma Fitzpatrick, of Washington, is the guest of Mr. and Mrs. C. K. McClure. D. C. Allen returned from Dublin, Ind., where he delivered a large lot of stock ewes. Miss Bessie Worthington is under treatment of a specialist in Lexington for eye trouble and her many friends are hoping for her early and complete recovery. John Grubbs has rented the Bud Dunn farm and will move to it about Christmas. Misses Bona, of Lexington, and Redmond, of Mayville, are guests of Mr. and Mrs. Wm. Tammie. Misses Orpha Williams, Carrie Lee Lipps, Evelyn and Murray Adams, chaperoned by Miss Bettie V. Logan, went on an excursion Saturday to High Bridge and down the river by steamer to Frankfort, where they were highly entertained. Sheriff M. Smith Baughman and family, of Stanford, spent Sunday with Mr. and Mrs. J. K. Baughman. Editor J. H. Thomas, of the Casey County News, was in our city Saturday. Prof. L. C. Bosley, of Central University, Danville, having just returned from an extended trip in Tennessee, spent Sunday with Mr. and Mrs. S. D. Yowell. Mae and Sam Peavyhouse, with their cousins, Misses Martha and Mary Albertson, spent Sunday in Cincinnati and its beautiful suburbs sight seeing.

## A Warning to Mothers.

Too much care can not be used with small children during the hot weather of the Summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

A trunk containing diamonds worth \$15,000 is said to have been burned in the Lackawanna depot fire at Hoboken.

## Fell Dead.

A man fell dead in Chicago the other day from heart trouble, and thousands die every day in the same way. But the cause of nine out of 10 of such cases of heart trouble is indigestion. The cure is Dr. Caldwell's (laxative) Syrup Pepsin. The explanation is that the swollen, inflamed, and engorged stomach, presses right up against the heart and prevents it from working; your heart flutters, palpitates, pains and you are short of breath; some lose it forever. Just try for these symptoms, a few doses of Dr. Caldwell's Syrup Pepsin, and see how quickly it will cure you. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

## Given Up To Die

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Penny's Drug Store.

W. S. BURCH.

The democratic nominee for county attorney, is a democrat in all the word implies, is a good lawyer and will fill the responsible office to seek with credit alike to himself and his party. He is a son of the late Stephen Burch, as gallant a Confederate soldier as ever shouldered a musket. Mr. Burch was born Nov. 23, 1871, and is of English and Irish descent, being a direct descendant of Col. William Whitley, who distinguished himself for gallantry in Indian warfare, having killed the chief, Tecumseh, he himself being killed in the same battle. He graduated at Centre College in 1892, with high honors and was admitted to the bar for the practice of law in 1893. He is well versed in parliamentary law and has presided over several stormy conventions with much dignity, promptness and determination. He has always been a true-blue democrat, faithful to the organization, rendering valuable aid in campaign work. When called upon to go out in the interest of the party, whether to deliver an address or to aid in effecting an organization, he cheerfully responds without stopping to count the cost or to consider any sacrifice involved. Mr. Burch is a runner from away back, and if the republicans should give him opposition, a thing they will not likely do, he will beat his man with the ease a thoroughbred outfoots a cold-blooded equine.

## Hints To Houseworkers.

Nothing is more important to the hardworking housekeeper, than to keep her liver properly working otherwise, that pale, sallow look, and tired feeling, will make her look as sick as a dog. Nothing will keep you up to the mark, without injurious stimulations, so well as Dr. Caldwell's (laxative) Syrup Pepsin. It is a pure liver tonic—a cure for Constipation, Biliousness, and Indigestion. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

There has been a material change in the views of some of the Republican leaders who are accompanying Secretary Taft on his visit to the Philippines in reference to the reduction of tariff rates on Philippine tobacco and sugar. Senator Dubois and Representatives Hill and Grosvenor now favor the free admission of these products to the United States.

## Colic and Diarrhoea—A Remedy that is Prompt and Pleasant

The prompt results produced by Chamberlain's Colic, Cholera and Diarrhoea Remedy together with its pleasant taste have won for it a place in many households. Mr. W. T. Taylor, a merchant of Winslow, Ala., writes: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy myself and also with men on my place for diarrhoea and colic and it always gives relief promptly and pleasantly." For sale by all druggists.
